This network is designed to promote quality and cost-effective dental care. Access Plus Dental offers over 410,613 access points nationwide so that you can be confident in finding a dentist near your home in the Access Plus Dental network.

Dental Network Provisions:

- Network dentists will file claims for you.

- Blue Cross payments offer an average savings of 20-40% off billed charges.
- Covered dental services, level of coverage, deductible and benefit maximum amounts will be the same for in-network and out-of-network dentists.
