I understand that coverage elected during this enrollment process will be effective May 1, 2019.

To the best of my knowledge, the information I am providing is correct and I understand that if I provide false information, my claims may not be paid, payments may be recovered, plan eligibility/membership may be cancelled.

I authorize any insurance or services company related to benefit coverages referenced herein to obtain an ability to examine or release information needed to coordinate benefits or process claims for myself or my family. This electronic form supersedes all previous forms I have submitted. If I have waived coverage, I understand that satisfactory evidence of loss of other said coverage may be required to enroll at a later date.

My election or waiver of coverage is binding and cannot be revoked or modified during the plan year except for changes allowable by state or federal law (as explained in the plan document).

I understand that I must complete the payment authorization form with the premium for coverage, along with the administration fees for that coverage. This application must be completed and I must be in good standing with Mobile Bar Association, before I am approved for coverage. I also understand that credit card payments require a 3.5% payment processing fee or \$2.95 minimum fee, and ACH payments require a \$2.95 payment processing fee per draft and that the premium displayed above does not include the payment processing fee.

I understand that the authorization for charges will remain in full force and effect until I notify 90 Degree Benefits in writing that I wish to revoke this authorization. I understand that 90 Degree Benefits requires at least 2 weeks' notice prior to the proposed effective date of the debit in order to cancel this authorization. Payments will process on the first of each month.

I understand that payments will process on the third of each month, if the first is on a Saturday or Sunday, it will process on the next business day. Should my payment be rejected for Non-Sufficient Funds (NSF), I understand that 90 Degree Benefits will attempt to process the charge again 7 days from the original processing date, and I agree to any additional charge by the bank for each attempt returned NSF, which will be initiated as a separate transaction from the authorized payment. Should the payment be rejected on the second processing date, 90 Degree Benefits will terminate coverage effective at midnight the last day of the last period for which premiums were paid.

I understand that my application is not complete, until I submit my enrollment AND the payment authorization forms. Once you have done so, I have electronically signed your enrollment application below and submitted as First, a pop up window will appear with a printable summary of the choices you have made including your premiums and fees. Please print this page. Then click on the following link: <https://www.90degreebenefits.com/forms/payment-auth.php> to access your payment authorization form. Use the Benefits and Administrative Benefits sections which display your premiums and fees, to complete your payment authorization form. Once completed, click the Submit button to send the form to 90 Degree Benefits.

I accept the above conditions for enrollment:
